Internal Pipe Joint Mechanical End Seal Kit & Specs | Reliance Trenchless

Source of truth:
https://reliancetrenchless.com/products/internal-pipe-end-seal
Contact: https://reliancetrenchless.com/contact · sales@reliancetrenchless.com

How to use: No per-DN model table on the product page. Measure ID at seal position (including liner). Send ID, liner/pipe material and thickness, sleeve length available, medium and conditions for quotation.
Do not confuse with: Not Instant-Lock sleeves; related to but distinct from WW/DW internal pipe joint seals (https://reliancetrenchless.com/products/internal-pipe-seal).

Confirm dimensions, materials, operating limits, inspection documents, availability and delivery terms with Reliance for each project.
